Hello,

In this edition of our newsletter, we are pleased to reveal new products inspired by Japan, with cherry blossom and a fatsia japonica.
New diameters are now available for our collection of round conical , up to 69 centimeters. Our range of white cylindrical planters is also expanding with two new creations. Both collections are made from UV-and wather resistant fiber

Enjoy your reading,

The Vert Espace team

DISCOVER OUR NEW VARIETY OF CHERRY BLOSSOM!

They're on offer at a price that would make a sale pale in comparison! Whether white or pink, they'll shine in a bouquet of 12.
