## EUCALYPTUS BUSH 90

Reference : 27612-UV70

### Product photos

### Description

EUCALYPTUS BUSH 90 Artificial, at the base a PVC pot of diameter 16 cm and height 14 cm. The original pot must be pierced to allow water to drain. It must be fixed to the decorative tub by creating drainage to avoid any stagnation of water at the foot of the plant. Suitable for outdoors. UV resistance guarantee: 2000 hours (hours of sunshine) or approximately 2 years.
