BUIS CARRE NEW

Reference : 10246-71

Product photos

Description

NEW SQUARE BUIS Artificial, steel structure, with a height under foliage of 38cm (pot + trunk), at the base a PVC pot with a diameter of 19cm and a height of 15cm. Suitable for outdoor use, but the wooden trunk must be treated with a water-repellent product. The original pot must be pierced to allow water to drain out. It should be attached to the decorative planter, creating a drainage system to prevent water stagnating at the foot of the plant.
