

In this new edition, you will discover our latest asplenium, a variety of ficus available in three versions, and a brand-new philodendron.

Also, discover our two new trees: a majestic 360 cm and a 330 cm fire-retardant oak trees.

The Vert Espace team wishes you a wonderful summer.

## OUR PHILODENDRON GOELDII

Philodendron goeldii, a plant from South America, adds a modern, authentic touch to your interior decor, with a tropical twist.
